A Hard Day's Night

Beatles

C7sus4

It's been a hard day's night,
and I've been working like a dog.

It's been a hard day's night,
I should be sleeping like a log.

But when I get home to you
I find the things that you do
Will make me feel all right

You know I work all day
To get you money to buy you things.
And it's worth it just to hear you say
You're gonna give me everything.

So why on Earth should I moan,
'Cause when I get you alone
You know I feel okay.

When I'm home
Everything seems to be right.
When I'm home
Feeling you holding me tight, tight, yeah!

It's been a hard day's night,
and I've been working like a dog.
It's been a hard day's night,
I should be sleeping like a log.

But when I get home to you

Stand by Me

Ben E. King

Intro:

C C Am Am F G7 C C

When the night has come, and the land is dark

And the moon is the only light we'll see.

No, I won't be afraid, no, I won't be afraid,

Just as long as you stand, stand by me.

So, darling, darling, stand by me, oh, stand by me.

Oh, stand, stand by me, stand by me.

If the sky that we look upon should tumble and fall,

Or the mountain should crumble to the sea.

I won't cry, I won't cry, no, I won't shed a tear,

Just as long as you stand, stand by me.

So, darling, darling, stand by me, oh, stand by me.

Oh, stand, stand by me, stand by me.

C C Am Am F G7 C C

Whenever you're in trouble won't you

stand by me, oh, stand by me.

Oh, stand, stand by me, stand by me.
